

1. the people upon whom Bibliology is laid
as an obligation become bound hand
and foot to a fixed view.

Muhammedanism wrecks itself upon the
Quran.

It which is tied to a stereotyped inter-
pretation of a supposedly infallible book
becomes ossified.

It is the privilege of the individual to
assimilate whatever in the Bible answers
to his own experience, and at the same
time to subject the documents themselves
to a continuous process of criticism; in
order to separate between what is merely
temporary therein and their permanent
eternal truth.
